(Check one of the following recommendations. Use the back of this sheet to state any rationale for the option you selected.)

*I recognize that the ministry in The United Methodist Church is itinerant, and that I serve where appointed by the bishop. I further recognize that appointments and assignments are annual and are made each year. I reaffirm our polity and disciplines as United Methodists. With that understanding, the following is my preference for the coming year:*

\_\_\_\_ Strongly request I be reappointed or reassigned to this church or Extension Ministry

\_\_\_\_ Prefer reappointment or reassignment but am open to a move

\_\_\_\_ Prefer a move but am open to reappointment or reassignment

\_\_\_\_ Strongly request that I move
