

Do You Have What It Takes . . .  
to be a great page or tech at Annual Conference?

**ANNUAL CONFERENCE MEMBERS!** Please give this info and application to a great high school youth in your congregation. Help us get the word out about this opportunity.

Pages and audio-visual techs are youth who are friendly, reliable, and excited about serving others. Pages and techs are a vital (and hard-working) part of the Annual Conference sessions, helping to get information to members exactly when it's needed. You'll get to see how AC works, and worship, learn, and play with youth from all over Oregon and Idaho.

**PAGE/TECH FAQs**

**SO WHAT DOES A PAGE DO?** You will be in on the action at Annual Conference distributing materials, running errands, carrying messages, and helping AC members with official business. Twelve people will be accepted as pages.

**AND WHAT DOES A TECH DO?** You will work with the audio-visual coordinator to cue up videos, Power Point presentations, and the sound system. Experience with AV systems is helpful. Two techs will be accepted.

**WHAT ARE THE EXPECTATIONS?** Bring a great attitude. Come to the training meeting before AC starts to learn your job. Be at AC for all the days, Tuesday through Saturday. Stay for about an hour after the last session to assist with clean-up of the tables. (If you have a ride with an adult at AC, that adult must be willing to wait for you.) Have fun!

**DO I GET PAID?** You are responsible for your expenses while at Annual Conference (transportation, room and board). Often, home churches help out pages and techs financially. Just ask your pastor or lay leader. (A free T-shirt is yours!) An offering is taken at Annual Conference to help cover some of the costs of your being a page.

**IS IT ANY FUN?** Sure! You'll work hard during the sessions, but there's plenty of time in the evenings to meet with other youth at AC to swim, bowl, watch movies, talk, eat . . . all the good stuff.

**WHERE DO I SLEEP?** You'll stay in a dorm at Willamette University with other pages, techs and youth members. No need to bring your sleeping bag, everything will be there for you. Adult chaperones will be on the same floor with you.

**WHO CAN BE A PAGE OR TECH?** You must be in 9-12<sup>th</sup> grade right now, be active in a United Methodist Church, and have not served as a page or tech more than one year so far.

**HOW DO I APPLY?** Complete the Page/Tech application and return it to the address below by **April 1, 2007**. You will hear from the Floor Manager (Page Coordinator) by April 15. If you are accepted, you will receive more information soon afterwards.
